## Dedication

Words cannot express our love and appreciation for one who so faithfully and willingly stood by us through our four years in high school.

With her love and ability to understand us, she has enlightened our lives and made each day more enjoyable.

So it is with sincere hearts and deepest gratitude the Senior Class of 1957 dedicate our publication of "OUR SPARKS," to you, Mrs. Eloise Jenkins.

MRS. ELOISE L. JENKINS

# Foreword

We, the Annual Staff, in presenting "Our Sparks" of 1957, sincerely hope you may spend many happy moments in reviewing the memories enclosed in these few pages.

May we always remember our teachers who so faithfully and willingly helped us in times of greatest need. Their patience and guidance have been a great asset to our days spent in high school.

Though these pages may someday become wrinkled and torn, their memories will hold steadfast in the hearts of those who lived them and the friends of those who shared them.

# Class History

In the fall of 1953, we entered High School, determined to make the best of the four years ahead of us. Standing by was Mrs. Eloise Jenkins, our home room teacher. Shirley Brigman was elected class president. In the spring of our freshman year, we journeyed to Lumberton for physical examinations. The results proved we were capable of taking on new subjects as sophomores.

As sophomores we began to understand the importance of High School. Mrs. Jenkins was again our sponsor, and Shirley Brigman our class president. The outstanding event of the year was the initiation of Jean Proctor, Miriam Wallace, Shirley Brigman, and Betty Mabe into the Beta Club.

After three months of vacation, we returned to school as dignified juniors. Under the guidance of Mrs. Jenkins, sponsor, and Betty Mabe, class president, we undertook the tasks that lay before us. In December we received our class rings. Other highlights of the year were: our play, "Happy Days"; our banquet, "Hawaiian Cruise," and our trip to Washington, D. C. Serving as marshals for graduation exercises in the spring were Betty Mabe, chief, Miriam Wallace, Shirley Brigman, Jean Proctor, and Peggy Bullard.

At last it was 1956, and we were seniors. We elected Jean Proctor as our class president, and drafted Mrs. Jenkins as our sponsor. It has been a busy year, but every busy moment has been a delightful experience. As we prepare to cross the threshold of graduation, not one of us can say what the future pages of history hold for each of us; but this we know now: "We're not to the top, but climbing."

# Class Poem

We entered Parkton High in 1953  
A happy group of Freshmen  
With hearts so gay and free.  
We finally learned the schedule  
To all our different classes,  
And started making friends  
With the other lads and lassies.

The next year we were Sophomores  
And gee! What fun we had;  
A little more mischievous,  
But never really bad.

Then we became Juniors in 1955;  
Our class, a little smaller,  
But still as much alive.  
Our Banquet and our play  
Required work from every one;  
But we found ourselves rewarded  
When at last it all was done.

Now finally we are Seniors  
And our school days very few;  
So to all of you, dear teachers,  
The Seniors say, "Thank you."  
For every helping hand  
You gave along the way  
Is what made us strive harder  
For "Graduation Day!"
